Principal

End of the Year News June 2009

The end of the school year is here! Many of us are already planning vacations and ways to relax during the weeks ahead. Please remember to read to and with your child. Take advantage of your child's natural curiosity and explore your surroundings. Math and Science are around us in the many activities we do throughout the summer, it is easy to become mathematicians and scientists for a day.

Important Information:

The office is open throughout the summer months from 9:00 a.m. to 2:00 p.m.

Your child has a manila envelope with the following documents:

- Report cards
- Reading information
- FCAT Student and Parents Report
- A calendar of summer activities
- Forms to fill out and bring back on Orientation Day
- The 2009 Island School yearbook

Orientation for parents will be different this year. We would like ALL the parents to attend orientation. The teachers are available two days to make it convenient for you to participate. The orientation starts with a general presentation, and then the parents will go to their child's classroom. The teachers will inform the parents about homework, expectations, communication between school and home, and other important and related topics. They will also answer your questions. Please choose a day and let us know when you are coming.

Dates to remember:

- August 19-20: Parent orientation days

- 4:30 - PTO representatives are available
 - sale of slightly used uniforms
 - information about the organization
- 5:00-5:30 - General assembly with Mrs. Ramos
- 5:30p.m. - 6:30p.m. - Teacher presentations in the classroom
- August 21: Children meet their teacher
- August 24: First day of school
 - School hours: 8:30 a.m.-3:00p.m.

The Island School faculty and staff wish you a safe and happy summer.
